

Monthly Newsletter

As September comes to a close, we take a moment to reflect on the journey we shared this month.

Each step we took together has strengthened our mission to create safer, healthier, and more inclusive communities.

From meaningful programs to inspiring initiatives, September was filled with stories of resilience, collaboration, and progress. With every effort, we are not just responding to challenges, we are shaping lasting change.

SWACHH AADAT

Good Neighbors successfully conducted the Swachh Aadat hygiene campaign across five schools in Delhi, reaching a total of 599 students. Through interactive sessions and the distribution of hygiene kits, the program emphasized the importance of adopting healthy hygiene practices in daily life. By equipping children with both knowledge and essential supplies, the initiative is helping to nurture a culture of cleanliness and empower young minds to lead healthier, more confident lives.

Child Parliament Formation

Good Neighbors, in collaboration with EFICOR, successfully organized a Child Parliament Formation and Strengthening program in **Tumkur**, reaching 125 participants. The session focused on nurturing young leaders, fostering teamwork, and encouraging collaborative decision-making among students. By creating such platforms, we are empowering children to raise their voices, understand their rights, and contribute actively to their schools and communities.

125 participants

Water Purifier Support !

Good Neighbors, in collaboration with EFICOR, supported the installation of a water purifier at a school in **Tumkur, Karnataka**. This initiative is ensuring access to safe and clean drinking water for 68 students, helping them stay healthy and focused in their learning journey.

68 beneficiaries

First Aid Kit Box Support

Good Neighbors, in collaboration with EFICOR, conducted First Aid Kit Orientation sessions in Tumkur and Bandipur, reaching 249 participants. The sessions provided teachers, students, and Child Parliament members with practical knowledge on first aid practices, safe handling of medicines, and the correct use of first aid kits. To ensure sustained preparedness, each school and Child Parliament was also equipped with a fully stocked First Aid Kit box, creating safer and more resilient school communities.

249 beneficiaries

Be Digitally Responsible

Good Neighbors launched its digital awareness program **Think Before You Click** at in Rayachoty, Andhra Pradesh, reaching 553 students. The session focused on building digital awareness, promoting safe online practices, and encouraging students to become responsible digital citizens.

Dear Global Foundation of Good Neighbors Team,

I, Manisha Dutta, Vice Principal of GGSSS Hastal would like to extend my heartfelt appreciation for the outstanding activity (Swachh aadat) conducted on 15 Sep 2025 at our school through Vidyanjali.

Your team's dedication to raising awareness about critical issues and promoting sustainable practices is truly commendable. The activity was engaging, informative, and thought-provoking, and we believe it will have a significant impact on our students' understanding of these important issues.

We appreciate the time and effort your organization invested in this initiative and are grateful for the opportunity to partner with you. Your contribution to our students' education and personal growth is valued, and we look forward to future collaborations.

Thank you for your commitment to making a positive difference in our community.

Sincerely,

 Manisha Dutta (Vice Principal)

Subject: Letter of Appreciation for Waste Management Workshop

Dear Global Foundation of Good Neighbors Team,

We would like to express our heartfelt appreciation for your recent visit to our school. Your team's workshop on waste segregation and management was incredibly valuable, guiding our students to develop healthy and responsible habits.

Your efforts to educate and engage our students in proper waste management, specifically the segregation of dry and wet waste, have been truly inspiring. The timely motivation and practical direction you provided made a lasting impact on our students, who are now more conscious of their role in creating a clean and healthy environment.

Your dedication to this important cause is commendable. We are grateful for your partnership and look forward to collaborating with you again in the future.

Sincerely,

 Principal

Achchhe Padosi Samajik Seva Foundation , in partnership with EFICOR, through Skilled project has initiated a vital **sanitation project** at Rani Chenema Sarvoday Kanya Vidyalaya, B Block, Jahangirpuri.

Recognizing the importance of safe and hygienic facilities for schoolchildren, especially girls, the project includes the construction of two brand new toilets along with the renovation of two existing ones.

This effort is not only about infrastructure but also about creating a healthier and more dignified learning environment where students can focus on their studies without the challenge of poor sanitation.

By addressing one of the most basic yet critical needs of the school, this initiative seeks to promote health, hygiene, and equal opportunities for young learners, while also contributing to the larger goal of building sustainable and child-friendly schools
